

Committees
2017-2018 assignments
September 1, 2017

The bylaws of the UUCS state, “...All Standing Committee Chairs shall be Members of the Congregation. No one shall serve for more than three consecutive years as chair of the same committee.” We will ask current chairs who have been in their position less than 3 years if they wish to continue. For those who are completing their 3rd year, we ask for their input on possible chairs for the upcoming year.

NOTES & COMMENTS
 As we’ve worked through assignments, we’ve realized that each committee is unique, and that sometimes there is a need for support and guidance for a committee. Sometimes there is a need for help in finding members, or assistance with clarifying the mission of that committee, or helping with agenda items. Some of those comments have been added.
